

January, 2018

Dear Parents / Caregivers,

Stationery – Continuing Foundation Students 2018

Please see below information regarding your child's stationery list for 2018.

Workbooks

Please remember when labeling your child's books to include your child's full name (top) and the subject area (bottom). Please refer to the below example. When labeling your child's stationery, we encourage correct capitalisation (e.g. Colton, not COLTON) – this provides a good model for your child's future handwriting.

Example.

Child's Name
Subject Area

Book	Description - label
x4 scrap books	Learning Journal Term 1 Learning Journal Term 2 Learning Journal Term 3 Learning Journal Term 4
x1 exercise book (2/3 ruled)	Story Writing – Semester 1 Story Writing – Semester 2
x1 exercise book dotted thirds	Handwriting

Stationery items

Please name the below items:

- lead pencils
- Artline black pens
- visual art diary
- coloured pencils
- plastic A4 pocket
- whiteboard markers

Please note your child will not require a pencil case as he / she will again be provided with a pencil tin to store their stationery. Each student's individual learning journey will continue to be captured over the coming year, as we add to their 2017 portfolio. These are being stored at school.

Please return all stationery items to school on your child's first day of Term 1. The environment will be clearly labeled to support you and your child in unpacking the stationery items into the space.

Kind regards,

Sophie Hage
