

PREPARING FOR YEAR 6/7 2018

Dear Parents,

Welcome to the Year 6/7 Minge/Lieschke class for 2018. In our unique year of graduating both Year 6 and Year 7 students, we are looking forward working with your children in their final year at primary school. We anticipate a busy, exciting year full of growth and learning together.

Our book list indicates a commitment to extensive use of notebook computers whilst not compromising the important value of hand written work as well.

Books and folders need to be labelled in the top right hand corner with the following:

- **All other equipment**, line and graph pads must be clearly labelled with student name.
- Please send **all stationery and equipment** to school on the first day and provide a named clip lock bag. We will collect spare stationery and distribute as needed.

We do expect students to have the following items at school to use:

- coloured pencils and textas
- scissors
- headphones
- Bible

We are happy for students to use the above items from previous years or purchased elsewhere. Please make sure they are all named.

We have issued students a diary this year for writing down their homework and as a form of communication. The preferred form of communication between us is via email.

Thank you for your help in preparing for the new school year. We hope you have had a relaxing holiday and look forward to seeing you throughout the year.

Regards,
