Dear TLS Community,

Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.  
1 Peter 4:10

I have started off this year with another group of wonderful Foundation children, which means I get to go on home visits. We are so lucky at TLS to be able to continue this aspect of our ongoing transition process to school. I not only get to know the children individually within the school environment, but I also get to continue to build a relationship with the children in their home environment. I really enjoy getting to know all of the amazing personalities that I get to work alongside of.

God created us in His image and has given us all a unique personality. Just like personalities, God has given us unique interests and talents too. I always think back to when I was in primary school one of my teachers said “Imagine if God made us all the same, that would be pretty boring!” She was so right!

As a Foundation teacher I get to work alongside the most amazing children who continue to impress and amaze me each day. Through building strong relationships, it also helps me to cater to each child’s personality and interests. This links really well with our Reggio inspired approach at TLS, particularly the 100 languages of children. The 100 languages allows children to demonstrate their knowledge through their interests, personality and talents in a medium which is significant to them, rather than all the exact same way. For example, a child could demonstrate their knowledge through talking, writing, clay modelling, sculpture, dancing, acting, representing, illustrating, just to name a few.

Isn’t it amazing that God made each and every one of us unique? He knew us before we were born and He has a plan for all of us. As you reflect on this, think about your own unique personality and abilities which God has equipped you with. God has given you talents, use them to serve others and to bring glory to God.

“Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of activities, but it is the same God who empowers them all in everyone.

**Parent Teacher Interviews**
Aside from the invitation to parents to discuss student progress regularly with their teacher; at the end of Term 1 we have our scheduled Parent Teacher Interviews. This is a valuable opportunity to sit down with your child’s teacher and discuss their academic and social progress in detail.

Interviews will be held on **Wednesday evening 12th April** and **Thursday 13th April (week 11)**. Thursday is a pupil free day.

This year parents are required to book interview times online. TLS administration staff will no longer schedule times as has been the procedure in the past.

All families will soon receive an email with login details and booking instructions.

Thank you.

**FIRST AID - IMPORTANT INFORMATION**

**MEDICAL AUTHORITY**
If your child or children have any medical conditions requiring medication to be stored or administered by the school, **WE REQUIRE A ‘MEDICAL AUTHORITY’ FORM FILLED OUT AND SIGNED BY A DOCTOR**. This form **MUST** accompany any medication before sending it to school. A current action plan must be completed annually if your child has any serious medical conditions.

**PARENT DUTY OF CARE**
Please ensure medication has a pharmacy label on **BOTH** the packaging and the medication. Another important point to consider is to ensure the medication supplied is exactly as described on the ‘Medical Authority’ form ie if Panadol is mentioned, then Panadol must be supplied - not pharmacy brand or other alternative paracetamol medications.

All medication stored in your child’s school bag must have an appropriate expiry date.

**SCHOOL DUTY OF CARE**
In the event that your child needs urgent medical attention, our duty of care requires us to phone an ambulance immediately. Please be aware there is a substantial cost when an ambulance is called.

**EXCITING NEW OPPORTUNITY**
Since the partnership with the Cambodian Village, ‘Say’ has ceased, we have been investigating possibilities into how we may be able to forge new partnerships as part of our student service learning program. An opportunity has arisen via a grant from Lutheran Education Australia to send two staff members to Indonesia to investigate initiating partnerships with disadvantaged schools.

At the end of March, Judy Minge (Student Leadership Coordinator) and Rowena Sloane (Strategic Development Coordinator) will travel to Indonesia with a contingent representing other Lutheran schools in what is certain to be a valuable and exciting trip. We eagerly await their findings and will keep TLS families updated as to any future developments in this area.

**COLLECTING STUDENTS FROM SCHOOL IMPORTANT!**
When collecting students, parents must come on to the school premises. This includes when parking in the Maria Street car park. For safety reasons no students are permitted to walk to cars or cross the road unattended. Thank you.
This week in ‘Teachers Top Ten’ we interviewed Mrs Minge. If you don’t know Mrs Minge, she is one of the amazing teachers of one of the year 6/7 classes at Tanunda Lutheran School. On 3/3/2017, we interviewed Mrs Minge for the ‘Teachers Top Ten’ and these were the results.

The winner of the Principal’s Award this week is Zoe Auricht who is in Mrs Madden’s class. She received this award because she is always thinking of others and being a wilful helper. Zoe happily does her best at all her school work.

This week, the Sport Captains and Vice Captains were selected for the teams and they are, Sam Noack, Davids Baikovs, Campbell Noack, Hugo Schild, Harry Robinson, Chey Dahlitz, Tyson Linke, Mia Mckee, Teagan Manning, Shelbi-Lee Sutcliffe, Meg Badrice, Sydney Schild, Ella Habermann and Neeve Reimann. Congratulations to the Captains and Vice Captains. All the Captains are looking forward to Sport’s Day and the Swimming Carnival and are working hard on their war cries. Hello everyone,
My name is Katherine Trevilyan and I am the Woodwind (Flute, Clarinet, Saxophone, Fife & Recorder) and Piano Tutor at Tanunda Lutheran School. I am very excited to be beginning the new year and I am keen to help some new students achieve musical success! With a Diploma in Classical Music and having studied Music Education at the University of Adelaide, you can be rest assured that I will enhance and encourage your child to be a capable young musician. I have been teaching throughout the suburbs of Adelaide for the past eight years and have thoroughly enjoyed helping students to use music to grow as both a musician and as an individual. Feel free to contact me at any time via email with any enquiries. I look forward to meeting you and taking an active role in encouraging a music culture at Tanunda Lutheran School!

Best wishes, Katherine Trevilyan email: katherine.trevilyan@gmail.com

Don’t forget to check out Tanunda Lutheran School’s incredible display at this year’s Tanunda Show. The teachers and students have been very busy working on preparing something very unique this year. Thank you to anyone who donated resources for this display and to Rowena for her wonderful ideas!
2017 Student Residential Address Collection

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested your child’s school provide a statement of addresses, in accordance with section 21 of the Australian Education Regulation 2013 (the Regulation).

A statement of addresses contains the following three pieces of information about students at the school:

- Students’ residential address (not student names or other identifying information)
- Students’ level of education (i.e. whether the student is receiving primary or secondary education)
- Students’ boarding school status (boarders or day students)

Authority for and Purpose of Collection

Consistent with previous practice, and following the 2016 Australian Bureau of Statistics National Census of Population and Housing (Census), it is timely that information held by the department is updated in order to ensure that Australian Government funding calculations for your child’s school are accurate.

Under section 21 of the Regulation, a statement of addresses must not explicitly identify an individual student. Accordingly, all information in the statement of addresses provided by your child’s school to the department is de-identified.

Use and Disclosure of Information

It is important to ensure the statements of addresses are accurate, and the department may from time to time carry out audits of statements of addresses to verify their accuracy. In the event of an audit, the department’s contracted auditors may seek to compare a school’s statement of addresses with student enrolment information held by the school for the purpose of verifying the information. The department’s contractors will not use the information for any other purpose.

Any further use and disclosure of information relating to the statement of addresses will occur in accordance with section 65 of the Regulation.

If you have any questions regarding this notice, you can contact the department by:
