From the Management Team...

Dear TLS Community,

(Matthew 7:2-5) For with what judgement you judge, you shall be judged: and with what measure you use, it shall be measured back to you. And why do you look at the speck that is in your brother’s eye, but do not consider the plank that is in your own eye? Or how can you say to your brother, Let me pull out the speck out of your eye; and, look, a plank is in your own eye? You hypocrite, first remove the plank out of your own eye; and then you will see clearly to remove the speck out of your brother’s eye.

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast upon her brunette head. She looked at her mother and inquisitively asked, “Mum, why are some of your hairs white?”

“Well”, her mother replied, “every time that you do something wrong and make me cry or unhappy, one of my hairs turns white.”

The little girl thought about this revelation for a while and then said, “Mum, how come all of Grandma’s hairs are white?”

A funny story, yes - but isn't it true that we’re always looking for someone to blame for our imperfections? The Lord warned us about the danger of pointing out the faults of others. He said that people with planks in their eyes should not attempt to remove specks out of other people’s eyes. Somehow, we lose sight of this so quickly! We are all still growing. None of us has arrived! We need to be aware of how the enemy tries to ensnare us in this way.

I don’t know about you, but I tend to agree with the person who said “The only person I want removing splinters out of my eyes is someone with a clear vision and a gentle touch!”

Let's ask the Lord to help us to see the ways we've been judgmental and become people with clear vision and a gentle touch! We should be building up one another and encouraging each other so that the work of the Lord may go forward and we may rejoice together in the blessing!

Swimming Consent & Ability Forms
All students from Foundation to Year 7 will participate in swimming lessons from 15th to 21st March and our swimming carnival on Thursday 24th March at The Rex. Please note that due to the public holiday, swimming lessons will commence on Tuesday 15th March with the final lesson being held the following Monday 21st March.

Students will travel to and from The Rex using Faith buses.

Today all students have received a swimming consent and ability form.

Please complete these forms on both sides, sign and return to your child’s class teacher (not the office) by next Monday, 22nd February. Thank you.

Leadership at Tanunda Lutheran School
Each year students at Tanunda Lutheran School elect a student leadership team called the Front Bench. These students, from the Year 7 classes, work with the School Parliament (made up of all Year 7 students) to discuss issues important to all members of the school community.

School leaders and deputy leaders are selected by staff. These students represent Tanunda Lutheran School at special functions and fulfil leadership duties at the school.

These students were installed into their positions and presented with their badges at chapel on Friday 12th February.

Student Leaders for 2016: Bethany Hayes, Bayley Pink
Deputy Leaders: Raven Loan, Fletcher Amery
Front Bench Members: Samantha Dutschke, Joshua Meyer, Ruby Buckley, Demi Koch, Bek Stutley

Junior Primary Playground
The next stage of junior primary playground development is taking place this Thursday and Friday (18 & 19 Feb). The work involves some heavy lifting and moving of rocks and as such, we have made the decision for safety reasons to close the playground completely for the full two days. Alternative activities and supervision have been planned for the junior primary students for this period which will require all students to utilise the oval and the other inside and outside supervised areas during recess and lunch breaks. If anyone has any questions or concerns please do not hesitate to contact Mark Clayton to discuss it further.

Wellbeing Matters...

Amazing Me!
On Tuesday evening April 12th we will again be hosting Rowena Thomas from Amazing Me! Rowena delivers education seminars for Year 3-7 students accompanied by their parents on the subject of the differences between boy’s and girl’s bodies, reproduction, birth and puberty (what was called “sex education” when we were young). There are 2 different seminars ensuring that they are age appropriate. The seminar delivery and content fit well with the ethos of our school. These seminars are not part of our curriculum program but are provided as an optional service to the school community.

Rowena last delivered these seminars at TLS in 2014 and the feedback from parents was very positive, hence we have invited her to return. More details will be made available as time unfolds, but I strongly recommend if you have a student in these age groups, that you put this date in your diary. Remember that students MUST be accompanied by a parent (or caregiver). Session times are to be confirmed but will likely be from 6.30pm for the younger ages and 7.45pm for the older ones. There will be a nominal cost, which will also be advised.

In the meantime if you have any questions, please contact me.

CHESS AND GAMES
On Monday lunchtimes we have a “Games Time” in the TLS Harvest Centre. This enables students to have a different experience, to escape the outside busyness and to do something with a different social energy. One of the most popular things is for kids to play a game with one of the adults that is there.

We would love to have some more volunteer help. If you can spare time between 12.50pm and 1.50pm on Mondays (even occasionally) then please contact me. This is a low-stress, rewarding way to be involved at TLS (normal checks etc are required).

Wellbeing Coordinator,

Police Checks
Anyone wishing to help at school or in the ELC (i.e. listening to students reading, cooking, helping at Sports Days, attending camps and excursions, etc.) must have a current Police Check. A Police Check is valid for 3 years so please ensure that if you have one, that it is current.

To access the application form please Google: Police Check Application Form PD 267 - South Australia

When completing the form please enter the following:

- PURPOSE OF CHECK please enter “SCHOOL VOLUNTEER”
- CATEGORY please select “Working with Children/Vulnerable Groups”
- CHECK TYPE please select “VOAN Volunteer (VC)”

Once you have completed the form online, please print a copy and bring it into the TLS office for a volunteer authorisation number and signature. This completed form is then required to be taken by you to the police station with the necessary identification.

Once you have received your certificate this must be sighted and recorded by the TLS office staff before you will be permitted to help at school.

Please note that as you are a volunteer there is no cost to you.

Your generous offer of time to help at school is greatly appreciated by staff and students.
